

Transportation Opt-Out Form

**Boardman Local Schools
Transportation Office
7410 Market Street
Youngstown, OH 44512**

TO: All Parents
FROM: Boardman Local Schools Transportation Office

In an attempt to improve the efficiency of our transportation services and being always mindful of our finances, we are seeking information about your student’s transportation needs for the upcoming school year. *If your student will be riding the school bus, you do not have to do anything.*

However, if your student **will not** be riding a school bus, we ask that you complete the form below. The bus will no longer stop at your house unless you call the office and change your status. You may always contact our office in the event of a transportation change or emergency, and we will do our best to accommodate.

Please mail your response to the Transportation Office at the above address, or email at Transportation@boardmanschools.org. You may also call 330-726-3408 to file an Opt Out request.

Thank you for your cooperation.
Sincerely,

Debra Brothers
Transportation Supervisor
